.....
We believe that:

God is **One**, and so his judgment is Love.

God is **Love**, and so desires to save.

God is **Almighty**, and so can save.

God is **Jesus**, and so does save.

“For in him all the fullness of God was pleased to dwell. And through him to reconcile to himself all things, whether on earth or in heaven, making peace by the blood of his cross.” (Col.1:19–20)

Thank you for joining us as we worship the Lord Jesus. We hope that you would entertain the thought that God is madly in love with you. We want you to know that not only do we welcome you, God welcomes you into His Sanctuary. His Sanctuary is not a building or organization. His Sanctuary is people, that at least a little, have begun to trust in His Love. **God is Love.**
